

BLUE

AWARD

2016

 www.blueaward.at

This year's Blue Award will take place in the framework of the World Conference on Timber Engineering 2016 - WCTE - which will be convened on the 22nd-25th of August 2016 in Vienna. Through all categories special attention will be given to the implementation of solutions developed with the material wood.

Open for academic fields of architecture, regional planning, urbanism and engineering
